

I listen to K-LOVE radio on 90.3 every day and find it an invaluable source of inspiration/news/entertainment. The effect on my local community of Pocatello if it were to be displaced by an LPFM broadcaster providing other programming would be devastating! Christian music/news is an essential ingredient to providing our public an unbiased, faith-based, HONEST community service. PLEASE do not take this station away from us. Thank you for your consideration.
